# Ang Mahalaga Bumangon Ka

**September 10, 2020**  
**10:00AM - 12:00NN**

## **PROGRAM DESCRIPTION:**

The book "Ang Mahalaga Bumanongon Ka" which was written by Marlon Molmisa in 2015 has already sold more than 7,000 copies worldwide. It is a motivational book which talks about the 5 Ps of life: Pamilya (Family), Pangarap (Vision), Pera (Money), Pag-ibig (Love), and Pananampalatay (Faith).

In this training program, the trainer (author itself) would address the overall mindset on failures, reducing the risk of failures, and bouncing back in case of failures. After all, one does not need to experience something to be able to learn from it.

## **OBJECTIVES:**

At the end of this learning session, the participants are expected to:

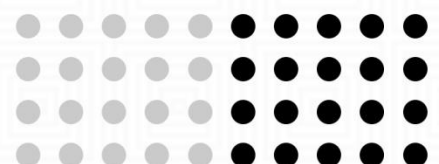

- ✓ discuss the different views in terms of failures;
- ✓ identify the common causes of failure in the various aspects of life;
- ✓ develop personal strategies in case of failure; and
- ✓ demonstrate a new perspective on failing forward.
