**coop NATCCO Network**

Cooperatives Digitalization Roadmap:
Conceptualization to Operationalization

Batch 2
August 12 & 14
9:00AM - 12:00NN Morning Session
1:30PM - 3:30PM Afternoon Session

Registration site:

Course Objectives:

The starting point for the Digitalization Roadmap is the understanding of the actual baseline. It is critical that the process starts with knowing where you are. The course will make the participants gain evidence, translate them to expected results, identify the strengths and weaknesses, opportunities and priorities. This will give the cooperatives information related to the pillar's maturity:

✔ **Governance and leadership**
✔ **People and culture**
✔ **Capacity and capability**
✔ **Innovation and technology**

Course Outputs:

1. A Corporate vision of the future of its business.
2. An inventory of People competencies, policies and programs, existing systems, technology and IT infrastructure.
3. Gap Analysis for People, Processes and Technology.
4. A roadmap for business continuity.

Target Participants:

Minimum all board members, Managers and key staff of the coop.

Registration Fee: P2,600

Co-ops who have remitted their CETF may charge the registration fee to CETF remitted to federation as part of return service. For Co-ops who have not remitted their CETF, we encourage you to remit in compliance with CDA MC- 2019-08 and MC- 2020-01.
